WHO WE ARE

Anchor Health is Connecticut's leading health center for the LGBTQ community. We provide groundbreaking, radically inclusive, gender-affirming, and sex-positive medical, mental health, and pharmacy care as well as supportive services to thousands of patients across Connecticut and beyond. We are health care for queer people by queer people.

ABOUT THE GALA

Our 10th anniversary gala is more than a milestone – it's a bold declaration of queer autonomy, resilience, and the power of community. You're invited to join us in honoring a decade of high-quality, competent, and affirming health care. Our gala and fundraiser will be an unforgettable evening of dining, dancing, and celebrating how far we've come – and getting ready for what comes next.
